About us

DAKSHAM ACADEMY is created with a vision to provide an ideal digital launch pad for Science enthusiasts who aspired to crack the prestigious Competitive examinations like NTSE / NSEJS / INJSO/ IIT-JEE / NEET/ KVPY/ BITS and many more...

Vision And Moto

Our goal is to provide knowledge and guidance and thereby create an environment that guides students to the path of success.

We, at 'DAKSHAM ACADEMY' understand the importance of quality education and thus, will continue setting newer benchmarks of excellence by providing best quality content to the learners.

DAKSHAM ACADEMY is an organization involved in helping the Learners community in achieving their dream to recognize and explore their own potential.

"We believe that learning is for everybody and everyone is welcome!"

Message from the Desk!!!

Dear Students,

Cracking any Top Level Competitive Examinations is all about your perseverance quotient, endurance, learning ability, managing time & stress and zeal to model the path of success drawn by the connoisseur. To ensure your success in any competitive examination, we have designed our coaching programme in a scientific & systematic manner that develops both your knowledge and your problem solving acumen.

Advantages of Joining Science For Kid Geniuses

Getting adapted to the per-requisites of competitive exams.

Development of temperament, attitude and habits for facing the objective based competitive exams.

Boosting of self confidence; increase of speed in solving questions and learning time management.

Exposure to the in-depth knowledge of subjects; the approach to learn and understand them.

Higher chances of selection in competitive exams along with class-XII.

Objective of the Courses

To get excellence in School Examination as course covers the complete school syllabus for mathematics, Physics & Chemistry subjects.

Preparing students for NTSE, International Olympiads, KVPY & other competitive examinations conducted by various Government & Non- Government organizations.

To prepare student for Future Competitive Examination in a systematic manner & in stress free environment as this course provides sufficient time to student to grasp and master fundamentals which ensures success in first attempt.

Start Your Journey of Success with a blend of Modern Teaching Technique

1

CONCEPT – FOCUSSED TEACHING

Concept clearance of every Topic is our first priority. We believe in tightening of roots for a better shoot. Weak concepts would never allow a student to score better in his boards or competitive exams. Thus, our team focuses on basic concept strengthening followed by the problem solving skills of a student.

2

SPECIAL TEACHING TECHNIQUE

We at DAKSHAM ACADEMY holds a Unique Teaching Preposition. Success is an outcome of small efforts performed regularly. So, we teaches our students, in a way that we make their concept very much clear. Competitive examinations like IIT / NEET (UG) are nothing but a deeper and enlarged application of basic knowledge, thus, We at DAKSHAM ACADEMY make its student's concept sharper that they can Crack Competitive exams without any further assistance.

Journey of
Success with
a blend of
Modern
Teaching
Technique

3

EFFECTIVE STUDY MATERIAL

Study materials provided to our students appear to be the unit source to be successful. Students sincerely going through these study materials would face zero difficulties for cracking the examinations.

4

REGULAR DOUBT REMOVAL

Our team treats all of its students equal in capability and hence we sit here to acknowledge every student's doubt as 'Doubts' creates hindrance to achieve one's aim. Pre and Post Doubt clearance session are regularly held during our course programme in order to make its pupils capable and stronger in every sense.

Technique

5

CONSTANT BATCH – SIZE

WE never compromises with our batch size in greed of increasing admissions as most institutions do. Batch-size will be considered in accordance with the convenience of both faculty & students in order to promote teacher-student interaction.

6

DEDICATED & COMMITTED FACULTY

DAKSHAM ACADEMY is a team of experts and professionals - guiding & motivating students of classes IX to XII of ICSE, ISC and CBSE boards and would be engineers & doctors in near future. Our team serves beyond its capacity to provide the best education. We are ever ready to help your children, even individually whenever needed.

Technique

7

REVISION SESSIONS

"Practice Makes the Man Perfect".

Regular revisions are given the topmost priority. We discuss Previous Year Question Papers (PYQ'S) for getting the exact pattern and making students well furnished. Chapter wise revision is performed on regular intervals after completion of every phase of programme. For regular classroom batches, we offer proper revision plan for unit test and half-yearly test of the students.

8

EXAMINATIONS

online Examinations are held weekly irrespective of the programme in which students have enrolled. Unit test schedules will be prior informed to the students. Full-length exams will be taken on the monthly basis. Students have to apply for retest if scored less than 70%.

DAKSHAM ACADEMY

Short Term Course Fee	Non-Refundable
Courses other than Short Term	70% of Tuition Fee is Refundable
Examination Fee	100% Refundable
PDC (If any)	All PDC's will be returned

Refund Policy

Calculation of Refund

- The Date of Commencement of the batch is considered & not the joining of any student in the course.
- Date of submission of application for withdrawal and refund shall be considered for the purpose of calculation of refund, instead of date of the student joining and date of last class attended by the student.
- where a student has availed the benefit of the scholarship against the lump sum payment & leaves the course / Institute after few months due to any reason whatsoever and applies for withdrawal of admission & refund of tuition fee paid, he/she shall be entitled to receive a refund after calculating the amount utilized by him / her from date of commencement of course to the date of submission of application on pro-rata basis.
- Mode of Payment of refund is via cheques in the name and to the account of the student/guardian ONLY within a reasonable time from the date of receipt of an application for withdrawal of admission by the appropriate channel.

Student Conduct

- Student must attend all the classes as per the schedule assigned for the particular course.
- Batch Shuffling or Mid-Course transfers are not allowed as it will disturb the curriculum.
- A student joining 10 min after the start of the session / Class shall not be allowed to enter the classroom.
- Any Study material / access to the online assignments given to the student for a particular task for a particular time phase shall not be given to those who are absent without prior notice or fail to complete the assignment work within the given time frame.
- No Back up classes will be assigned to student in case he/she did not inform prior to the concern authority about his/ her leave.
- Any student who failed to attend the classes for 10 days or more consecutively without any prior notice from the parent /guardian will not be allowed to attend the classes and shall be deemed to have been expelled from the institute. NO prior notice will be given to parent or student in this regard.

Parents' / Guardians' Conduct

- It is responsibility of the parent to submit the fee of their ward in time as per schedule given in the prospectus.
- Any Change in permanent address / Correspondence address, Mobile Number, & email-id should be notified in writing to the appropriate authority by writing a mail @ info.dakshamacademy@gmail.com.
- The institute reserves the right to dis-continue a student from the enrolled Course, in case any of the parent / guardian is found to be misconducting using foul language or issuing any threats over phone, email, or in person towards the institute / company or any other of the staff member of the academy.
- The academy is responsible for providing competent teaching and admin staff to all its students for the course. we believe in making our students proud of the guidance and services they have been offered.
- Parents' / Guardians' are advised to provide a high speed internet services with power back up for hassle-free sessions.

Penalties & Fine

- Once the name of Student is struck-off due to non-Payment of fee by the end of the time-slot as mentioned under fee section; the student shall be liable to pay Rs. 1000 for re-admission.
- If the tuition fee is not paid in lump-sum, submission of post dated cheques, is mandatory. In case post-dated cheques are not submitted or are dishonored then a late fee of Rs. 100 per day shall be charged on the installment shall be charged.
- In case student does not want to continue due to above mentioned clause then the same amount will be deducted while refunding the deposit fee.
- If the study material provided to the student is lost / misplaced/ damaged , a duplicate set of book(s) can be obtained by contacting the concern authority against a payment of Rs. 600 per book .
- The test-series / study package provided to the student belongs to / reserved by the institute and are given for the self study purpose only, thus neither shall be used for any other purpose (like re-selling / Xerox) whatsoever it may be. If found, student will be penalized with a fine of Rs. 25,000 in addition to necessary legal actions.

Publicity

- Company reserves the right to use the single / group photograph(s) and name of the student for publicity in all kinds of media, if student secures position / rank or succeeds in any Foundation / Medical / Engineering / relevant entrance / Olympiad / Scholarship Exams in INDIA or any test in the International level at any time.
- In addition to photograph the company also reserves the right to record the video-audio /written testimonial of the student & parent for the purpose of publicity in all kinds of media, NO separate permission will be taken from the parent/ student for the same.

Reservation of Rights

- The institute reserves its right to make any changes / alteration in its programs/ venue /mode of online classes / timings / days / without any prior notice to anybody. the decision of the Institute will be final and binding on the students / parents.
- The examination timings, mode of conduction / pattern can be changed without any prior notice to the student/parent.

Thank you.
